President's Report

Hope you all had a great Easter. I can't believe that it is May already.

The I.T.A have organised another Presidents evening to be held at the end of this month. These are great to attend as I can get together with the other presidents, and get some feedback on what they are all up to. When I spoke to them last year, some of the Theatre's were going to try their own On-Line Booking System. I am curious to see if they have this up & running, and if this has been successful. This is something that we should think about.

I would like to thank Henry Ronchi for making & installing some protective cages for the Air Conditioners. (See photo in this addition) In last month's "Call Boy" I mentioned about the damage that had been done to the Theatre Car Park while the Council were installing the Retaining Wall. Well the news is good. (See separate report) The council have been very good to us, which is very pleasing.

I did hear from one of the councillors lately that we are the councils best tenant. This is a proud achievement, but looking after the Theatre has always been our top priority.

Don't forget to book your tickets for The Crucible. This promises to be a deep & emotional show.

See you at the Theatre.

Regards Zyg.

Past Recipients of the Gold Roley

If you can remember the year that you or another member received the Gold Roley Award please contact Kim Fletcher on 9399 2388.

We are hoping to collate this information for posterity!

It's that time of year again...

Membership runs out at the end of March every year
and this means it is membership renewal time.

Please visit the theatre website (www.roleystontheatre.com.au) to print off a membership form or pick one up from the Theatre when you come to see a show. This then needs to be returned to the Theatre along with your remittance ASAP. You can join/renew at any time during the year but renewing on time ensures you still get the benefits of membership.

If payment has not been received by May, you will cease to receive the callboy and other member benefits. If you paid your membership during the November/December 2008 time period you are covered for 2009.

ONE ACT SEASON SUBMISSIONS

The Committee is seeking submissions from interested parties for our one act play season, to be held in September.

We are particularly interested in a submission that utilises our junior members (8-16 years), as there is nothing else available for them this year.

Suggested places to find one act plays are libraries, the ITA library, Roleystone Theatre library cupboard and online.

If you are interested please contact Sherrill Wallis, 0419 935178, for a submission form or further information. In addition to the completed submission form you will need to provide a copy of your proposed play to be considered by the Committee.

**The submission deadline is May 31th 2009
however the sooner the better!**

THE CRUCIBLE

ABOVE: James Graham and Grace Edwards in rehearsal for the Theatre's next show 'The Crucible'.

It is based on events that took place in the infamous Salem witch-hunt of 1692. The story focuses on a farmer, his wife and a young servant girl who maliciously causes the wife's arrest for witchcraft.

A stellar cast with inspired direction ensures this is a show not to be missed. **BOOK NOW**

The Embankment Stabilisation

After the completion of the Earth Stabilisation by the Council last month, some damage to the ground had occurred by the heavy machinery during the process. I reported this to the Council and thought that they would just patch the holes. It was a complete surprise to see that they have completely resurfaced the entire area with bitumen. It looks fantastic (See Pictures). The concreting of the steps should commence this week & I will report this to you in the next "Call Boy". I have spoken to the council about adding a colour to the concrete as not to make the Steps too obvious & they have agreed to this. I am anxious to see all of these projects completed before the winter sets in. Regards, Zyg
